

Lesson 6  
Psalm 103

1. Without looking at Scripture:
  - a. Make of list of all the things that you can RECALL that God has told us to REMEMBER.
  
  
  
  
  
  
  
  
  
  
  - b. List anything that you recall regarding HOW we are supposed to remember these things.
  
  
  
  
  
  
  
  
  
  
2. Do a quick search through the Word, and see what else you can find about REMEMBERING. (You can use a concordance search of the word “remember” or even do an internet search such as “what does the Bible say about remembering God?”)
  
  
  
  
  
  
  
  
  
  
3. Please listen to these recordings and choose one (or both!) to listen to each day this week. Just after rising, or just before retiring for the day, are good times to engage God’s Word through song.

4. Go for a stroll (and hum a bit of one of our 103 Psalm-songs). Collect 2 or 3 end-of-summer spent blossoms whilst walking and humming. Place the faded flowers in a paper bag and bring them along with you next Tuesday.
